

SPREAD THE WORD

HELP UNMASK THE TRUTH BEHIND THE PANDEMIC

The pandemic has impacted all of us, but do we know the whole truth? We're asking people like you to get involved and help spread awareness.

WHAT CAN YOU DO?

1. **Print A Flyer**
2. **Post It Around Town:** Share it in your community—coffee shops, bulletin boards, community centers—anywhere people will see it.
3. **Talk About It:** Encourage people to see the movie. Have conversations with friends, family, and neighbors.

SPREAD THE WORD. MAKE A DIFFERENCE.

It's time to lift the veil and get informed. Every action counts!
